

Public's Right to Know/Freedom of Access

The Board recognized the importance of a well-informed public to the operations of Central Aroostook Association. The Board will comply with all applicable sections of Maine's Freedom of Access Act. The Board designates the Executive Director, and to act in the absence of the Executive Director, to Program Director as the Public Access Officer for the Central Aroostook Association.

Except as otherwise provided by statute, all Board proceedings shall be open to the public, any person shall be permitted to attend, and any records or minutes of such proceedings that are required by law shall be made promptly and shall be open to public inspection.

Board agendas and minutes, proposed and approved Board policies, annual budget reports, student handbooks and Board member Freedom of Access training documentation/certificates shall be available for immediate inspection and/or copying in the Executive Director's Office. Requests for all other public records shall be made, preferably in writing, to the Executive Director, specifying the records desired for inspection/copying. The Executive Director/designee may request clarification concerning which public record or records are being requested.

The Executive Director/designee shall acknowledge receipt of a request for inspection and/or copying of public records within a reasonable period of time.

If the request is denied, the Executive Director/designee shall inform the requestor in writing within five working days of the request and shall state the reason for denial. Otherwise, inspection and/or copying may be scheduled to occur within a reasonable period of time following the request at a time that will not delay or inconvenience the regular activities of the Association.

The Association is not required to create a record that does not exist.

ELECTRONICALLY STORED PUBLIC RECORDS

In compliance with the Freedom of Access Act, the Association will provide access to an electronically stored public record as a printed document or the record or in the medium in which the record is stored, at the requester's option, except that the Association is not required to provide access to an electronically stored public record as a computer file if the Association does not have the ability to separate or prevent the disclosure of confidential information contained in or associated with that file. The Association is not required to provide access to a computer terminal.

FEES

Except as otherwise provided by law or court order, the Central Aroostook Association may charge fees as follows:

- A. A fee of \$0.10 per page to cover the cost of copying.
- B. A fee of \$12.00 per hour after the first hour of staff time per request to cover the actual cost of searching for, retrieving, and compiling the requested public record. Compiling the public record includes reviewing and redacting confidential information.
- C. If conversion of a public record into a form susceptible of visual or aural comprehension or into a usable format, a fee to cover the actual cost of translation.
- D. A charge for the actual mailing costs to mail a copy of the record.
- E. No fee shall be charged for inspection of public records, unless the record cannot be inspected without being compiled or converted, in which case paragraph B or C applies.

Making a difference for people with developmental disabilities

As required by law, the Association will provide the person making the request an estimate of the time necessary to complete the request and of the total cost and, if the estimated total cost exceeds \$100.00, will inform the requestor before proceeding. If the estimated total cost is greater than \$100.00 or if the requestor has previously failed to pay a fee assessed for access to the Central Aroostook Association records, the requestor may be required to pay all or a portion of the estimated cost prior to the search, retrieval, compiling, conversion and copying of the public record.

The Executive Director is directed to develop and implement such administrative procedures as may be necessary to carry out this policy.
